### Issued by:

Shariah Advisory Board  
Transformation International Wellness Clinics  
Date: 08th July. 2025

### Introduction:

Transformation International is a professionally managed, non-profit, and philanthropic organization committed to empowering communities through education, health services, vocational training, and social development. The organization aims to uplift underprivileged individuals and communities, with a particular focus on sustainability, empowerment, and self-reliance. Transformation International is working to bridge socio-economic gaps by offering need-based interventions that align with Islamic principles of justice, compassion, and equity.

### Method of Utilization of Zakat and Donations:

The financial support received by Transformation International, including Zakat and general donations, is utilized with due diligence and transparency. The organization has a structured process to assess the eligibility of beneficiaries in accordance with Islamic guidelines. When individuals are found eligible for Zakat, the funds are allocated to directly meet their needs including education, healthcare, livelihood support, and rehabilitation as per the principles of Zakat distribution.

Transformation International ensures that its internal processes are fully compliant with Shariah. The organization's systems and utilization mechanisms have been reviewed and verified by the Shariah Advisory Board. Strict checks are in place to confirm that Zakat funds are neither mixed with non-Zakat funds nor spent on ineligible activities or individuals.

### Shariah Ruling:

It is hereby confirmed that Transformation International collects and spends Zakat in accordance with the rulings and conditions prescribed by Shariah. It is also affirmed that anyone paying their Zakat to Transformation International will be fulfilling their religious obligation correctly and validly from a Shariah perspective.

May Allah accept the efforts of Transformation International, bless their team with sincerity, and grant their mission widespread acceptance and impact. Aameen.
